3/105 Hubert St. East Victoria Park Perth, WA 6101

I am a recent college graduate seeking to explore roles that involve arts, communication, and sustainability efforts. My passions have always been the arts and nature. Through my work, I have come to define myself as empathetic, determined, and a strong leader. I enjoy traveling and am a strategic planner when it comes to cross country road trips or trips abroad. I enjoy working with children as well as planning fundraising events for local non profits. Although I have primarily worked as a Stage Manager, I believe my prior experience has allowed me to gain valuable skills such as interpersonal relations and organization that can be transferable to a multitude of areas.

VISA STATUS

I am currently in Australia on a 462 Working Holiday Visa, however in the coming year I plan to extend to a year 2 WHV, switch to a sponsorship work visa, or switch to a partner visa. I plan to be in Australia for the next 5 years as my partner attends Murdoch University's Veterinary Program.
